Self-Certification Statement for Financial Information

The Controller-Treasurer Department has established a self-certification statement for financial information to be included in the Comprehensive Annual Financial Report (CAFR). The self-certification statement must be signed by both Agency or Department Head and Fiscal or Administrative Officer attesting to the compliance of the following financial reporting requirements: year-end information, cash receipts and disbursements, accounts payable, and payroll within their operating department.

Annual Fixed Asset Inventory Certification

To ensure compliance with the State of California Government Code Section 24051, County Ordinance Code Section A15-14, and the County's [Fixed Asset Policy](#), an annual physical inventory shall be taken of all Fixed Assets assigned to a department. The Annual Fixed Asset Inventory Certification must be duly completed and signed by the Agency or Department Head.

Travel Authorization Approver Certification

Operating department staff authorized to approve County travel must be familiar with the County's [Travel Policy](#). They must also be listed on the Travel Authorization Approver Certification card for their department as signed and approved by the Agency or Department Head and Fiscal or Administrative Officer.

County's Accounting System Transactions

In order for operating department staff to be authorized to approve accounts payable and journal entry transactions in the County accounting system, they must meet the following requirements:

1. Complete the [SAP Basic Navigation Online Course](#)
2. Complete the [SAP Security Policy Instructions - SCC Security Policy](#)
3. Complete Ariba training given by the Controller-Treasurer.
4. Users must be mapped in the SAP and Ariba R2PM (Role to Position Mapping) by their department liaison.

Operating department staff authorized to approve accounts payable transactions must also complete, sign, and send the Deputy Controller Statement to the Controller-Treasurer SAP Security Team and Claims Unit before they are assigned the Accounts Payable Supervisor role in the County accounting system.
