4.4 POLICY ON USE OF ONE-TIME FUNDS (Adopted 1982)

In 1982, the Board adopted a policy of dedicating one-time revenues only for use as onetime expenditures. Since that time, and particularly since 1991, the County has had great difficulty balancing the General Fund budget in the face of downturns in the economy and State cuts in subventions for locally mandated services. As a result, the Board has seen fit to modify this policy to allow for the use of one-time sources of funds to ease the transition to downsized and/or reorganized operations.
