### **7.17 PROCEDURES FOR CONSULTANTS TO PREPARE ENVIRONMENTAL DOCUMENTS FOR PRIVATE PROJECTS IN SANTA CLARA COUNTY (Adopted 12-15-15)**

On October 21, 1997, the Board of Supervisors adopted the "Procedures for Consultants to Prepare Environmental Documents for Private Projects in Santa Clara County" ("Procedures") which specifies the methodology used by the County to hire consultants to prepare California Environmental Quality Act documents for private development projects in the County. Pursuant to the Procedures, all services provided by the consultants under contract are paid for by private applicants and no County funds are expended. Consultants execute a professional services agreement with the County when selected to be placed on the County's consultant list and the Board of Supervisors may delegate authority to the Director of Planning and Development or designee to execute a "project agreement" for particular projects. The Procedures are incorporated and made part of this policy by this reference. The Board of Supervisors may update the Procedures from time-to-time by amending the Procedures.
