

**Policy Type:** Administrative

**Category:** COVID-19

**Policy Name:** COVID-19 Symptom Screening for On-Site Personnel and Visitors, and Testing of Unvaccinated Personnel

**Policy Owner:** County Counsel; County Executive

### **Policy Purpose**

The purpose of this policy is to provide County departments and employees with the County's guidance on the County's efforts to prevent the spread of COVID-19 in County facilities.

### **Policy Summary**

On August 26, 2021, the County Executive and the County Counsel issued an updated memorandum that provided guidance on (1) the requirements for personnel and visitors to self-screen for symptoms before entering a County facility; and (2) the testing and screening requirements for personnel who are not fully vaccinated.
