Policy Purpose

The purpose of this policy is to provide County employees with the *Parking Administrative Guidelines* (PAG).

Policy Summary

County parking rules and policies are governed by County ordinances and are administered by the Parking Enforcement Review Committee (PERC). All County employees must follow the *Parking Administrative Guidelines* (PAG).

The PAG provide guidelines on designated parking spaces and areas, the proper use and issuance of County parking permits, bicycle parking, citations and the citation appeal process, applicable County ordinances, the County Parking Penalty Schedule, Clean Air Vehicle carpool stickers, and other parking-related topics.

Some sections of the PAG also apply to members of the public. County employees should make guests and visitors aware of these guidelines, as well as provide visitors and guests with a link to the guidelines at www.sccgov.org/transit.
